Distribution of Seats

111.1 Seats in the Assembly shall be distributed according to the system of representation established by article 64 of the Constitution of the Republic of Kosovo, by allocating:

(i) Parties, coalitions, citizens' initiatives and independent candidates having declared themselves representing the Kosovo Serb Community shall have the total number of seats won through the open election, with a minimum ten (10) seats guaranteed if the number of seats won is less than ten (10);

(ii) Parties, coalitions, citizens' initiatives and independent candidates having declared themselves representing the other Communities shall have the total number of seats won through the open election, with a minimum number of seats in the Assembly guaranteed as follows: the Roma community, one (1) seat; the Ashkali community, one (1) seat; the Egyptian community, one (1) seat; and one (1) additional seat will be awarded to either the Roma, the Ashkali or the Egyptian community with the highest overall votes; the Bosnian community, three (3) seats; the Turkish community, two (2) seats; and the Gorani community, one (1) seat if the number of seats won by each community is less than the number guaranteed.

b) the total number of valid votes received by each Political Entity in the Assembly elections shall be divided by 1, 3, 5, 7, 9, 11, 13, 15, et seq. until the number of divisors used is equal to the number of seats;

Subsequent quotients in descending order shall be used until all seats are allocated.

111.4 All votes received by the candidates appearing on the open list of each Political Entity shall be counted separately. A vote cast for a Political Entity shall be considered as a vote received by the candidate ranking first on the Political Entity's candidate list. The candidate lists shall then be reordered in descending order based on the number of votes received by each candidate.

111.5 The seats allocated to a Political Entity in paragraph 2 of this Article shall be distributed to the candidates on the Political Entity's candidate list as reordered in paragraph 4 of this Article, starting from the first candidate on the list in descending order, until the number of seats allocated to the Political Entity is exhausted. Additional seats allocated to Political Entities representing the Kosovo Serb community and other non majority communities as in paragraph 3 of this Article shall be distributed to the subsequent candidates on the Political Entity's candidate list reordered as in paragraph 4 of this Article.

111.6 If, after the allocation of seats as set out in paragraph 5 of this Article, the candidates of the minority gender within a Political Entity have not been allocated at least 30% of the total seats for that Political Entity, the last elected candidate of the majority gender will be replaced by the next candidate of the opposite gender on the reordered candidate list until the total number of seats allocated to the minority gender is at least 30%.
