Independent Auditors' Report

To the council of KOSOVA DEMOKRAT TURK PARTISI

Report on Special Purpose Financial Statement

Qualified Opinion

We have audited the financial statements of the Political Entity "Kosova Demokratik Turk Partisi" (hereinafter referred to as "Political Entity" or "KDTP" or "PE"), which comprise the statement of financial position as at December 31, 2019, the statement of income and expenses for the year then ended and other explanatory information on pages 7-14.

In our opinion, except for the effects of the matters described in Basis for Qualified Opinion section, the financial statements present fairly, in all material respects, the financial position of the Political Entity as of 31 December 2019, and its income and expenses for the year then ended in accordance with the law No.03/L-174 on Financing of Political Entities and Law 04/L-212 on amending and supplementing the Law No.03/L-174 on Financing of Political Entities, amended and supplemented by Law No.04/L-058, Article 15 Financial Reporting.

Basis for qualified opinion

- As disclosed in Note 5 of financial statements, property plant and equipment have been stated on the amount of 10,062.00 as at 31 December 2019. The political entity does not possess evidence nor supporting documentation for the amount of 2,262.07 Euro of the stated assets. Therefore, we were unable to verify the entirety, accuracy, existence and the amount of assets presented (31 December 2018: 3,135.00 Euro).
- During our audit we have concluded that the political entity, as a tenant, for the rent expenses in the amount of 13,898.00Euro has not withheld the tax on rent as foreseen by the legal requirements deriving from Law No.05/L-028 on Personal Tax Income, Article 39.
- The PE has paid wages and salaries in the amount of 5,179.86 Euro for which it has not withheld taxes and contributions as required by Law No.05/L-28 on Personal Tax Income, Article 7.
- During our audit we have concluded that the list of expenses stated by the political entity does not match the total of expenses stated in the Statement of Income and Expenses. The total of expenses presented in the Statement of income for which there is no detailed list of expenses, is higher for the amount of 2,685.18 Euro.
- As disclosed in Note 2 of financial statements, expenses under the category of "transportation expenses" has stated the amount of 983.54 Euro for the year ended at 31 December 2019. Given the nature of notes maintained by the political entity and in absence of supporting documentation we were unable to verify whether the reported expenses were accurate and fairly present the activity of the political entity.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Political Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Kosovo, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Codes.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Emphasis of matter

Without further qualifying our opinion we draw attention to the following findings:

- The Political Entity has not maintained proper accounting to enable the recording of financial transactions and the preparation of financial statements according to the accounting standards applicable in Kosovo.
- The Political Entity for the conducted purchases did not apply any procurement procedures which would enable a more efficient, cost-effective, transparent and fair use of political entity funds
- The Political Entity has not defined in its Statute the possibility of exercising internal financial control and the right for its members to be informed of all revenues and expenses of political entities as well as the responsibly of relevant body for financial transaction as required by the law no. 04 / L-212 on amending and supplementing the Law no. 03 / L-174 on Financing of Political Entities, amended and supplemented by Law No. 04 / L-058, Article 17 Internal Control.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Law No. 04/L-212 on amending and supplementing the Law no. 03/L-174 on the financing of Political Parties, amended and supplemented by law no. 04/L-058 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Political Party or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
