Independent Auditors' Report

To the council of Koalicija Za Gora

Report on Special Purpose Financial Statement

Qualified Opinion

We have audited the financial statements of the Political Entity “**Koalicija Za Gora**” (hereinafter referred to as “Political Entity” or “KZA” or “PE”), which comprise the statement of financial position as at December 31, 2015, the statement of income and expenses for the year then ended and other explanatory information.

In our opinion, except for the effects of the matters described in Basis for qualified opinion section, the financial statements presents fairly, in all material respects, the financial position of the Political Entity as of 31 December 2015, and its income and expenses for the year then ended in accordance with the law no. 04 / L-212 on amending and supplementing the Law no. 03 / L-174 on Financing of Political Entities, amended and supplemented by Law No. 04 / L-058, Article 15 Financial Reporting.

Basis for Qualified Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Political Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Kosovo, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- As presented in the Statement of Financial Position, the Political Entity has not carried out the entire surplus of the previous year on the current year. We found out that the PE has underestimated the transferred funds on the amount of 3,211.58 Euro as of 31 December 2015.
- As presented in Note 2, the Political Entity has stated the value of assets on the amount of 11,299.73 as of 31 December 2015, while the deferred income directly related with the value of the assets are on the amount of 8,508.48 Euro. During our auditing we found out that the PE has underestimated the deferred revenues on the amount of 2,791.25 Euro as of 31 December 2015.
- The Political Entity stated, in the Statement of Income and Expenses, expenses on the amount of 33,627.96 Euro. During our auditing we found out that there

is a mismatch on the amount of 2,791.25 Euro between the stated expenses and the expenses disclosed in Note 2 as of 31 December 2015.

Emphasis of matter

On our qualified opinion for the PE we draw attention to the following findings:

- The Coalition Koalicija Za gora has been established through an agreement signed on 12 May 2014 between the Political Entity Jedinstva Goranski Partia (JGP) and Gradanska Inicijativa Gore (GIG). In the Statement of Income and Expenses of the Political Entity, stated expenses are billed at the name of the individual political entities and not on the name of the coalition, Koalicija Za Gora.
- The Political Entity has not maintained proper accounting to enable the recording of financial transactions and the preparation of financial statements according to the applicable accounting standards in Kosovo.
- The Political Entity has not defined in its Statute the possibility of exercising internal financial control and the right for its members to be informed of all revenues and expenses of political entities as well as the responsibly of relevant body for financial transaction as required by the law no. 04 / L-212 on amending and supplementing the Law no. 03 / L-174 on Financing of Political Entities, amended and supplemented by Law No. 04 / L-058, Article 17 Internal Control.
- The Political Entity has not respected the legal requirements regarding the publication of annual and campaign financial disclosure reports as required by the law no. 04 / L-212 on amending and supplementing the Law no. 03 / L-174 on Financing of Political Entities, amended and supplemented by Law No. 04 / L-058, Article 15 Financial Reporting, paragraphs 5.1 and 5.2.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Law No. 04/L-212 on amending and supplementing the Law no. 03/L-174 on the financing of Political Parties, amended and supplemented by law no. 04/L-058 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Political Party or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
